Carpets

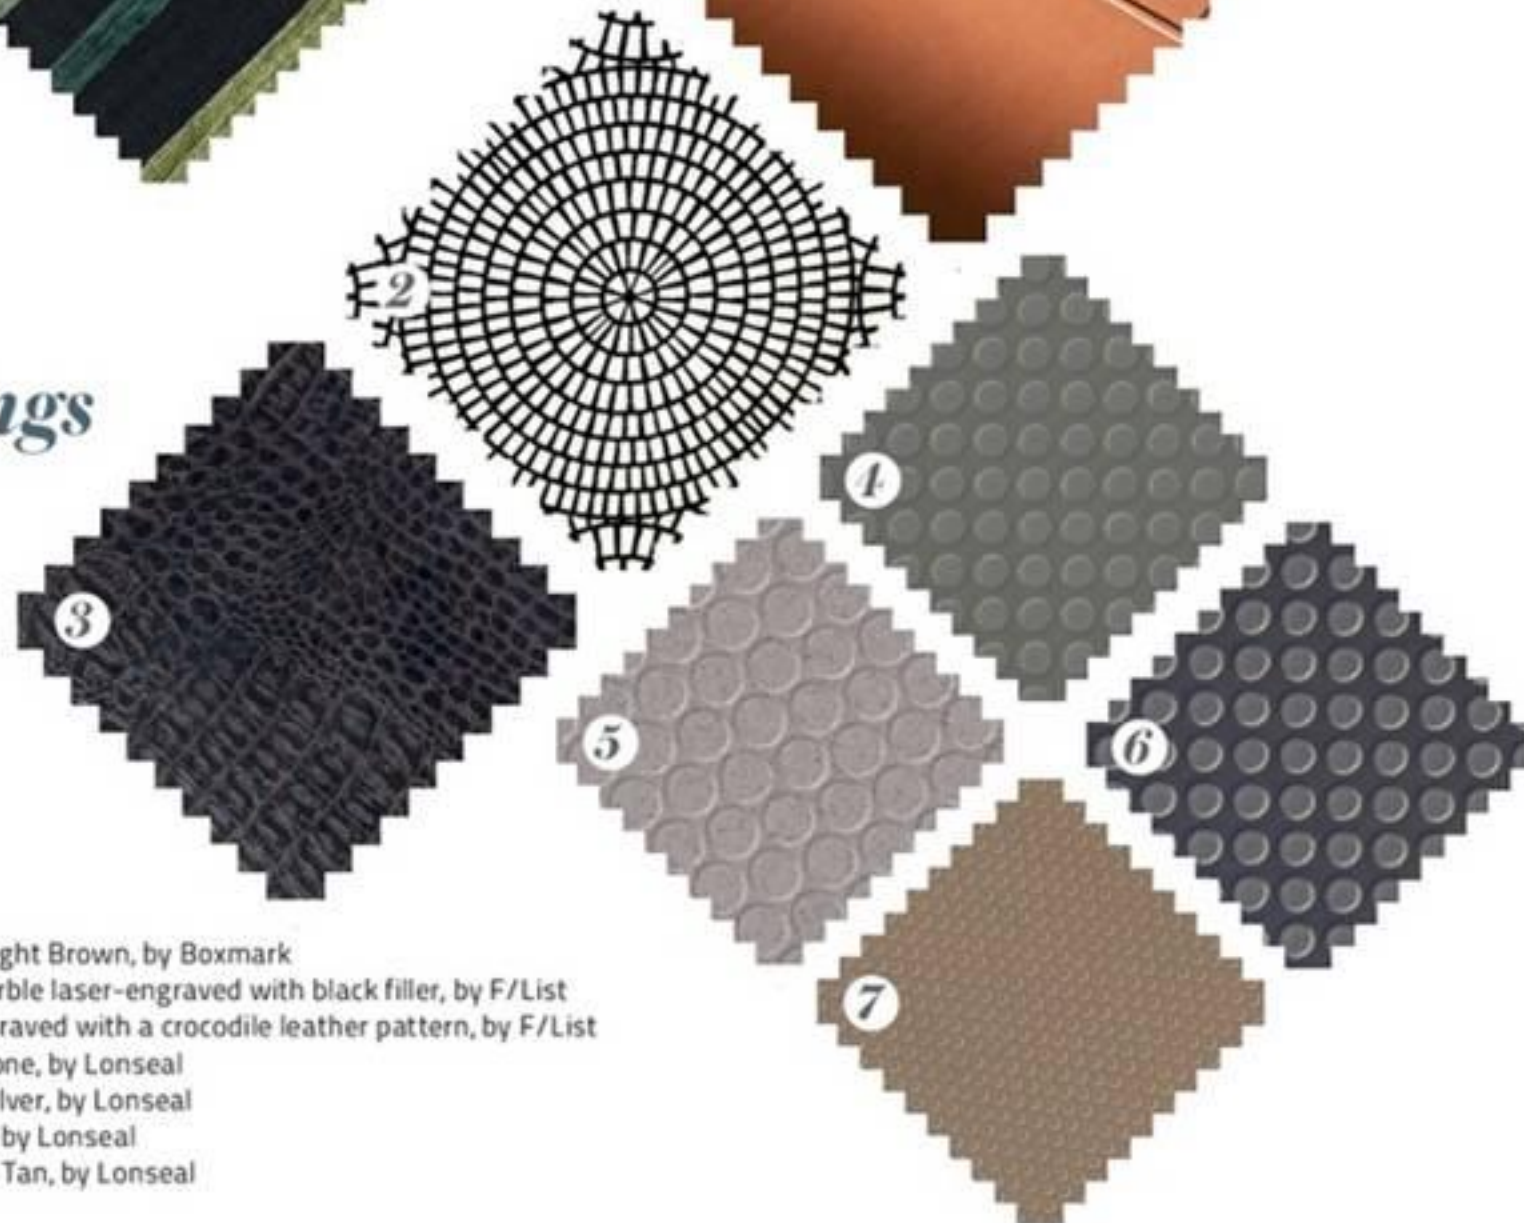

“The demand for high-end artisanship is increasing, in parallel with a desire for the latest technologies such as the integration of fiber-optic accents and modern, textured metal finishes. We also see a lot of interest in wood and stone flooring, which we are implementing in one of our current refurbishment projects”

Jean-Pierre Alfano, designer, AirJet Designs

1. Delight, hand-tufted, by Lantal
2. Stripes, hand-tufted, by Lantal
